

**Hosanna Christian
Academy
announces the
hiring of its
new
ADMINISTRATOR:
Mr. Josh LeSage**

Mr. LeSage comes with a whole

host of qualifications that convince us he's the perfect choice for our school. First, he has strong ties and a personal commitment to HCA being one of our own alumni, having himself graduated from HCA in 1996 and later teaching social studies and coaching at HCA for the 2002-2003 school year. He has maintained strong relationships with former HCA Administrators over the years.

Mr. LeSage's career in education began as a teacher and coach at Shotwell Middle School in Houston, and Scotlandville Magnet High School in Baton Rouge.

Later, he served as a social studies teacher through a special program for at-risk middle school students at PM Academy for the EBR Parish School System. All students in this program were there because they were at least two grade levels behind and had a history of disciplinary problems.

From 2006-2008, he served as the Assistant Principal for Baker Middle School with an enrollment of just over 500 students in grades 6-8.

Most recently, beginning in 2008, Mr. LeSage served as a Director of Education for the Recovery School District for the State of Louisiana.

Specifically, he served as the education and operation Executive Director for Region II under the regional superintendent. The mission of the Recovery School District is to reach out to failing public schools, identify their problems and turn them around. In this capacity, he served 18 Baton Rouge area schools and provided additional support to such schools statewide.

Underlying all that he does is a commitment to the Lord Jesus Christ. He spent the first two of his "career years" as a youth pastor for a local church and considers all he does as a ministry to others.

Mr. LeSage earned his Bachelor of Science Degree from LSU, a Master of Education Administration & Supervision from Southern University and another Masters in Religion and Pastoral Counseling from Liberty University. He has deferred completion of his doctoral degree while his wife, Kim, earns hers.

He and his wife Kim have been married for six years and have a son, Christian.

He brings energy, drive, vision, passion and a commitment to excellence to Hosanna Christian Academy.

Join us in welcoming Josh LeSage back to the Hosanna Christian Academy family!
